60	IDK	3/11/2015 9:51 AM
61	I feel that some positive aspects of the co-op include, having more students to play with opens our options and makes people actually play for there spot on the team instead of just being handed it. I also like the idea of the co-op in the aspect of interacting with new people; what I mean by this is yes we interact with people as we are participating in sports but when we are co-op like this we have the opportunity to make many new and possibly fairly close friends. In volleyball we always say that we aren't just a team we are a family and feel like that goes all around to all the sports.	3/11/2015 9:51 AM
62	More players for sports	3/11/2015 9:50 AM

70	More kids to practice with.	3/11/2015 9:50 AM
71	The Co-Op gives us bigger sports teams, we can have more support and be more active, Arcadia doesn't have that many people so they would have smaller sports teams and be less likely to qualify in some activities	3/11/2015 9:50 AM
72	It makes us better, but the Arcadia kids are rude and we aren't the right school to be with them no1 gets along.	3/11/2015 9:50 AM
73	we wouldn't have enough students to play football or two teams of basketball without the co-op.	3/11/2015 9:50 AM
74	i cant see any	3/11/2015 9:49 AM
75	more players and better variety of athletes	3/11/2015 9:49 AM
76	The benefit of a bigger team and better players for varsity teams.	3/11/2015 9:49 AM
77	It gives us a chance to get to know and bond with the other kids from Arcadia. I think in some aspects, it really helps us grow as a team. Everybody brings something different to the table, and some of that, just as one school, we may not have had.	3/11/2015 9:49 AM
78	i can not think of any.	3/11/2015 9:49 AM

82	More people that are in the sports.	3/11/2015 9:48 AM
83	Creates Friendship with other people outside of our school.	3/11/2015 9:48 AM
84	more players on the team.	3/11/2015 9:48 AM
85	It gives more kids for sports.	3/11/2015 9:48 AM
86	none	3/11/2015 9:48 AM
87	There are a lot more players on each team.	3/11/2015 9:48 AM
88	Help them get better at the sports they want to play	3/11/2015 9:48 AM

108	You get to see what it is like playing sports with another school. You also get a better team and can make new friends.	3/11/2015 9:47 AM
109	There are more players and coaches in the sports, and that can be a good thing.	3/11/2015 9:47 AM

Q6 What are some areas of improvement for the Co-Op?

Answered: 154 Skipped: 16

#	Responses	Date
1	Pay more attention to the whole team instead of 5 or 6 people.	3/20/2015 10:28 AM
2	We don't need any improvements.	3/20/2015 10:27 AM
3	More practice in Arcadia.	3/20/2015 10:26 AM
4	Arcadia always drives to Loup City.	3/20/2015 10:26 AM
5	Some improvements should be equality. It needs to be 50/50 like they said. I think no. We might get more opportunities, but it's not fair with the schools. We are wasting gas going to practice over there all the time. Our students aren't treated fairly.	3/20/2015 10:25 AM
6	I really have no idea.	3/20/2015 10:25 AM
7	Making sure everything is fifty-fifty, meaning practices and games (football, volleyball, basketball). Voting the way the public wants its board to vote. Not lying to the public about what is going on.	3/20/2015 10:23 AM
8	More practices in Arcadia.	3/20/2015 10:22 AM
9	Fair number of practices in each town. Fair number of games in each town. I don't feel the co-op has been very beneficial but I don't feel comfortable answering this with limited information. I don't like it personally.	3/20/2015 10:21 AM
10	Knowing where practice is.	3/20/2015 10:21 AM
11	Some better coaches. 50/50 games and practices.	3/20/2015 10:20 AM
12	Practice schedule.	3/20/2015 10:19 AM
13	Try to improve what you did last year.	3/20/2015 10:18 AM
14	Have practice schedules figured out.	3/20/2015 10:18 AM
15	We should have more practices in Arcadia and more junior high games.	3/20/2015 10:17 AM
16	Practices should be more in Arcadia.	3/20/2015 10:16 AM
17	The practices should be more equal. They should have more practices in track.	3/20/2015 10:16 AM
18	We could have an equal amount of time in practice in Loup City and Arcadia.	3/20/2015 10:15 AM
19	Split games half. Make them more fair.	3/20/2015 10:14 AM
20	Equality in practices at both schools.	3/20/2015 10:14 AM
21	We need to/can learn that, this is a team effort, and not one person can be the #1 player all of the time.	3/20/2015 10:13 AM
22	We can work together more and get to know each other.	3/20/2015 10:13 AM
23	Getting money together for new football helmets. Split the practices and games half and half.	3/20/2015 10:12 AM
24	Practice in Arcadia more.	3/20/2015 10:11 AM
25	Communication	3/20/2015 10:11 AM
26	Getting along with them better and being equal	3/20/2015 10:10 AM
27	I think in order to compete in the Lou Platte Conference, we need to improve our areas of coaching (volleyball and basketball)	3/20/2015 10:09 AM
28	The teams are getting bigger	3/20/2015 10:09 AM
29	I think we should be able to compete in the Lou Platte Conference.	3/20/2015 10:08 AM

30	Transportation	3/20/2015 10:07 AM
31	Time we leave for practice	3/20/2015 10:07 AM
32	Transportation and places to practice.	3/20/2015 10:06 AM
33	More games in Arcadia and practices.	3/20/2015 10:05 AM
34	Communication between coaches	3/20/2015 10:05 AM
35	There needs to be more practices in Arcadia. Loup City is making everybody go over there every day just about and it really isn't fair. This is one sided and we are losing.	3/20/2015 10:04 AM
36	2 Home football games. Loup City parents need to stop hastling coaches. More practices in Arcadia (all track are in Loup City)	3/20/2015 10:03 AM
37	Practice should not always be in Loup City, that is unfair to all of the Arcadia students.	3/20/2015 10:02 AM
38	Communication between Arcadia and Loup City coaches.	3/20/2015 10:01 AM
39	We should have more practices in Arcadia	3/20/2015 9:59 AM
40	Better facilities that are able to withstand the number of crowd members that attend games.	3/18/2015 11:09 AM
41	I feel as though the coaches need to look at individual players not as towns, I felt that during some sports there were more of one schools players being played because the coach was from there and the actual talent was being left on the sideline/bench. I feel that the coaches should let everyone have an opportunity to gain playing time, not just from talent but hard work and dedication to that activity.	3/17/2015 10:23 AM
42	Coaches,	3/11/2015 1:48 PM
43	better coaches that don't pick a select few and just play them and that don't favor the arcadia kids because the is not a fair opportunity to play in that sport. Arcadia should put some more money in this co-op because it seems like they are just getting a free ride that Loup City pays for.	3/11/2015 9:57 AM
44	more team mates	3/11/2015 9:55 AM
45	We should have practices and home games in Loup City because we got the better facilities in all of the sports and a lot of other schools don't want to play the sporting event in Arcadia.	3/11/2015 9:55 AM
46	I think it could be improved by adding more sports with the Co-Op they can be a stronger team.	3/11/2015 9:53 AM
47	to have us take charge and say what we want	3/11/2015 9:53 AM
48	traveling between schools because we get out at 3:37 and they get out at 3:45 so it takes 10-15 more minutes for them to get over here	3/11/2015 9:53 AM
49	Just get it done and quit the co-op.	3/11/2015 9:52 AM
50	not to have to wait so long for Arcadia to get here.	3/11/2015 9:52 AM
51	Arcadia needs to have more school vehicles. During football it was ridiculous that we had to wait until after 4:30 to start practice. They often had to wait for a van to get done with the bus route in order for them to come over. I think the co-op is good, but for it to work out better Arcadia needs to have more school vehicles available.	3/11/2015 9:52 AM
52	stop favoring Arcadian kids	3/11/2015 9:51 AM
53	don't have the co-op	3/11/2015 9:51 AM
54	where games and practices are at	3/11/2015 9:51 AM
55	not to argue about dumb things and you have to always to go arcadia for practice	3/11/2015 9:51 AM
56	The transportation, coaching, where the games are played.	3/11/2015 9:51 AM
57	Better practice planning. I'm tired of having short notice for practice.	3/11/2015 9:51 AM
58	I think the Co-op is alright and don't need much work and it seems fairly organized and fair	3/11/2015 9:51 AM
59	Sometimes we should practice separate	3/11/2015 9:51 AM
60	more coaches from loup city even playing time	3/11/2015 9:51 AM

Student Co-Op Survey

61	I feel some areas of the co-op that can be improved on include the transportation between schools. It does make some practices a slight bit longer, especially for the kids that are still 20-25 minutes away from there own school. Also I think we can improve on the attitudes between coaches from each school towards the students to the opposite school.	3/11/2015 9:51 AM
62	Don't favor one town, sport practices, rotate activities between here and Arcadia.	3/11/2015 9:50 AM
63	Transportation.	3/11/2015 9:50 AM
64	Travel times for practice. We always have to wait 15 to 30 minutes for Arcadia to get here and same for us when we have to go to Arcadia. It also seems like Loup City goes to Arcadia a lot more for football and basketball then loup City and we have more students and we have to take a bus verse Arcadia bringing a van.	3/11/2015 9:50 AM
65	Be early for practice.	3/11/2015 9:50 AM
66	staying at our school and not always traveling to Arcadia.	3/11/2015 9:50 AM
67	Transportation.	3/11/2015 9:50 AM
68	The group doesn't mesh that well. Teams are not open with eachother, more just with their own school. But, that could easily change in a few years, with some older classes gone.	3/11/2015 9:50 AM
69	I feel that we need improvements in how the practices are set up. I feel it has been an issue with people not knowing where practices are and the transportation costs can be expensive. I also feel we need to have the students from the different schools cooperate better and have the same numbers of students from each school participating in the activity they belong in.	3/11/2015 9:50 AM
70	Going to Arcadia for practice and waiting to start practice.	3/11/2015 9:50 AM
71	I think we have become better teams and we spend more time supporting our teams a as a bigger group. We have some really good athletes in both Loup City and Arcadia and we could qualify for state in sports.	3/11/2015 9:50 AM
72	Don't do any of it. I don't do sports because i don't get along with anyone in Arcadia they are rude.	3/11/2015 9:50 AM
73	all of our Jr. High football games were at Arcadia this year and Arcadia's practice field water tastes like rotten fish.	3/11/2015 9:50 AM
74	splitting the practices and games better and not favoring on school more	3/11/2015 9:49 AM
75	The coaches need to split the coaching jobs between each other.	3/11/2015 9:49 AM
76	Communication and Transportation. The communication, ever since it's started, has been kind of off. It gets confusing when you're told you're going to this place for practice by one coach, and then someone from the other town says otherwise. Sometimes the transportation is weird. If we had to go somewhere for a game and we were going to pick them up, we stopped and waited for them, and sometimes we were there for 15-20 minutes.	3/11/2015 9:49 AM
77	with the practices people get home late and then struggle the next day at school.	3/11/2015 9:49 AM
78	Coaches need to treat players from each school the same.	3/11/2015 9:49 AM
79	I don't know.	3/11/2015 9:49 AM
80	Favoritism I believe is a big thing that needs improved by far. I feel that each and every student should have a chance to play the sport they are going out for and that there should be a coach from both Loup city and Arcadia and there should be no head coach so that one schools kids gets more playing time then the other schools kids. I Also believe that if there is going to be a co-op then there should be kids that go out for all the sports and if theirs not then not all the sports should be co-op.	3/11/2015 9:49 AM
81	The teams are a little better	3/11/2015 9:48 AM
82	The traveling for sports practice	3/11/2015 9:48 AM
83	Not practicing in Arcadia all the time.	3/11/2015 9:48 AM
84	Having more Jr. High football games at Loup City instead of none of them being here they were all in Arcadia.	3/11/2015 9:48 AM
85	getting good transportation so we can actually go to the other school instead of staying at our own gyms for part of the time	3/11/2015 9:48 AM
86	Equal games at each home site.	3/11/2015 9:48 AM
87	To work together better	3/11/2015 9:48 AM

Student Co-Op Survey

88	The football team and the basketball teams are improving because of the co-op.	3/11/2015 9:48 AM
89	Capable of going to state for sports	3/11/2015 9:48 AM
90	extra players when needed	3/11/2015 9:48 AM
91	Coaches have "favorite" players. Besides this I like the co-op!	3/11/2015 9:48 AM
92	When we have practices.	3/11/2015 9:48 AM
93	Better attitude	3/11/2015 9:48 AM
94	All the practices for football, Volleyball and Basketball should be here (Loup City). We have the better facilities.	3/11/2015 9:48 AM
95	I do not like how late practice goes. One school is always waiting from the other one to get there so practice starts late and therefore goes later. If you are from the school that had to travel for practice that day you get home even later. It is really hard to have time finish all your homework, eat, shower, and get a good amount of sleep.	3/11/2015 9:48 AM
96	Travel. Gym, Track and Wrestling	3/11/2015 9:48 AM
97	There needs to be improvements in the way the schedules work. For example, when the bigger schools come for basketball games some of those games are in Arcadia. There isn't enough room in the bleachers for everybody. That's why we need the games in Loup City. The smaller school games can be in played in Arcadia.	3/11/2015 9:48 AM
98	the coaching.	3/11/2015 9:48 AM
99	Where we have practice and games.	3/11/2015 9:47 AM
100	I don't know	3/11/2015 9:47 AM
101	Let more people play	3/11/2015 9:47 AM
102	Have Arcadia boys stop thinking they are better than us	3/11/2015 9:47 AM
103	Could use more games in Loup City.	3/11/2015 9:47 AM
104	know where we're practicing	3/11/2015 9:47 AM
105	Get it done and no more co-op.	3/11/2015 9:47 AM
106	The coaches need to talk more about where practices are so us kids aren't going crazy trying to hurry because we didn't know where practices are. To me it seems that the coaches that are from the other school don't really like to help the other players from the different school.	3/11/2015 9:47 AM
107	There are sometimes too many players and coaches, and it is almost too complicated to work with everyone.	3/11/2015 9:47 AM
108	Not really. I like the thought of Co-oping with Arcadia it helps both of our schools out.	3/11/2015 9:47 AM
109	transportation and practices	3/11/2015 9:47 AM
110	The schools getting along. Practice running so late due to waiting on other school.	3/11/2015 9:47 AM
111	Traveling, who gets to play	3/11/2015 9:46 AM
112	Traveling back and fourth from Arcadia and Loup City.	3/11/2015 9:46 AM
113	I don't know	3/11/2015 9:46 AM
114	Not having to drive over for practice as much	3/11/2015 9:46 AM
115	The teams come together better	3/11/2015 9:46 AM
116	not complaining about things not being fair.	3/11/2015 9:46 AM
117	The waiting times on practices. We do not get to have full practice time together. Nothing else really to improve.	3/11/2015 9:46 AM
118	when have more chances of going to state.	3/11/2015 9:46 AM
119	nothing	3/11/2015 9:45 AM
120	The schedule could be fixed to where the people from Arcadia make it to practices on time.	3/11/2015 9:45 AM
121	cant think of any	3/11/2015 9:45 AM

Student Co-Op Survey

122	I don't like when we have to split the practices because they have like 3 girls and we have a lot more and we have to take a bus over there for practice and they can just bring a car.	3/11/2015 9:44 AM
123	Definitely Transportation, getting to practices late and back home late	3/11/2015 9:44 AM
124	the bus rides there is to long	3/11/2015 9:44 AM
125	It takes a large amount of time for the schools to get to each other's practice. The facilities of Arcadia.	3/11/2015 9:44 AM
126	the arcadia kids get more playing time and slow down loup city	3/11/2015 9:42 AM
127	Attitude, and number of home games	3/11/2015 9:42 AM
128	Start practices earlier to get out before 6:00	3/11/2015 9:41 AM
129	I believe that a lot could be improved when addressing the Co-Op. I feel as though some of the coaches are not as accepting to students from the opposite school, on both ends. To be honest, I have quit Co-Op activities in the past because of this reason. Each coach should value all players equally no matter what school they are from, or what their skill level is in the sport. Each participant should feel valued and important.	3/11/2015 9:41 AM
130	Coaches need to treat everybody the same no matter where they are from and they need to give everybody an equal shot for playing time. Boys golf should not be cooped because the Loup City guys are moving up to a much tougher class and they only get 1 guy from Arcadia or nobody at all. The coop should improve things it should not drag guys out of the state tournament to get 1 more guy on the team at the most	3/11/2015 9:40 AM
131	1. Transportation for students, on the road more than you're actually practicing 2. Game Scheduling 3. The 50/50 agreement, will never be 50/50	3/11/2015 9:39 AM
132	1. time management when traveling 2. coaches that are neutral (not from either towns) 3. changing to a higher class C-2	3/11/2015 9:39 AM
133	There is definitely a bit of favoritism with some coaches. Like if a coach is from Loup City, they favor Loup City kids or if a coach is from Arcadia they favor Arcadia kids.	3/11/2015 9:39 AM
134	All High school practices should be in the town with the better facilities	3/11/2015 9:39 AM
135	Arcadia acts like they run Loup City Schools	3/11/2015 9:39 AM
136	When the two schools joined together it gave everyone more competition. It was nice to have more kids so we can challenge ourselves to be better and at times when someone needed a break there was another person to jump into their spot.	3/11/2015 9:38 AM
137	Sometimes they are very rude to us and it sucks when they say they don't need us in the co-op	3/11/2015 9:38 AM
138	I don't know	3/11/2015 9:38 AM
139	The Co-Op does not give students the same opportunities as being one school. The spots are not as available for underclassmen and even Juniors to get spots on Varsity. We are both small schools. everyone knows that small schools usually have most of the same members on JV as on Varsity. This limits the experience and opportunities that the students are given. Most students from Arcadia and Loup City are not going on to be professional athletes; this being said, high school is their only chance to really get the experience of sports.	3/11/2015 9:38 AM
140	The Co-Op does not effect me.	3/11/2015 9:38 AM
141	Coaches not favoring certain people from a specific school.	3/11/2015 9:38 AM
142	differenet coaches	3/11/2015 9:37 AM
143	Coaches need to sub in everybody	3/11/2015 9:37 AM
144	Everyone hates it unless we do well.	3/11/2015 9:34 AM
145	As the bigger school here at Loup City we could stop bending backwards for the much smaller school.	3/11/2015 9:34 AM
146	No Oppinion	3/11/2015 9:33 AM
147	have acadia get here on time instead of having our players wait for them	3/11/2015 9:33 AM
148	Getting rid of it	3/11/2015 9:33 AM
149	get rid of it and it will improve the whole system	3/11/2015 9:32 AM
150	No opinion	3/11/2015 9:32 AM

151	The whole thing needs improvement by doing away with all of it.	3/11/2015 9:32 AM

153	i have no opinion	3/11/2015 9:31 AM
154	The Arcadia kids don't have to improvement anything.	3/11/2015 9:22 AM
